JOB SERVICE WORKFORCE CENTER REPORT: Mona reported on the increase in funding of the Navigator program, therefore Julie's time for the Navigator Program is full time instead of part time. Havre and the Glendive areas were also added into our service area for the Navigator Program. The WIRED Program still has not been given an official budget, Tom Friese submits individual requests and they are funded on a case-by-case basis. The WoRC funding is currently in the negotiations phase; at this point it looks like there may be a significant cut in funding that would require losing 3 to 4 positions. Also, the case load for the WoRC program has decreased. Mona also reported that the Northeast Montana Job Service Workforce Center and Billings Job Service Workforce Center were selected to represent Montana in the top 10 of the Nations One-Stop Centers.

TREASURER'S REPORT: A detailed treasurer's report was passed out. There is currently a balance of \$2,641.74. The balance of the CD is \$2026.43 and was renewed in November. Scholarship total income so far is \$650.
